RE: Gary Mazzilli

To Whom It May Concern:

Gary was employed with Suncoast Wall & Ceiling Systems, Inc. in the mid-90's as an Estimator for approximately (3) years. Since then, Gary has worked with us as an independent Estimator for the past (5) years. *(← 6 years, see below)*

Gary is very thorough and accurate with his bid take offs. To date, Suncoast has not lost money on any of his bids. He is very knowledgeable in all aspects of framing, drywall, acoustical, and carpentry estimating.

I highly recommend Gary for training personnel on OST, Quickbid, and general estimating procedures.

Should you have any questions or require additional information, please do not hesitate to give me a call at (352) 687-8188 ext. 24.

Sincerely,

SUNCOAST WALL & CEILING SYTEMS, INC.

Errata:

I know Larry's a very busy man, so I won't bug him for a correction. His secretary probably got the dates wrong, and he didn't catch it.

But I worked there from Sept. '01 to Sept. '03. Promoted to chief estimator in July of '02. GARY
